

**Insurance Certificate Tracking and Contract Management Software  
iFastrack© - Web Version  
Pricing Sheet**

**OPTIONS**

- ◆ Initial license comes with one company level\* and unlimited vendors, insurance certificates and contracts
- ◆ Purchase additional company levels at any time
- ◆ License supports unlimited users per company
- ◆ Software license and additional companies are one time fees
- ◆ Extended support is an annual fee

\* Company levels can be purchased to organize vendors by company and limit user password access to designated company data. This option could apply to brokers who want to track multiple clients or corporations who want to restrict access within multiple subsidiaries.

**SERVICES**

- ◆ 30 days of support free with purchase
- ◆ Extended Support: One year of unlimited phone / e-mail support; free access to upgrades

**TRAINING**

- ◆ PowerPoint Tutorial (PDF format) available on our website
- ◆ Comprehensive User Guide (PDF format) available from software Help screen
- ◆ Webinar demo by GG-One Software personnel reviewing key features
